Five stages, Playgroup to Class 12.

Each stage changes what a child studies, and how. This is when each change happens.

Pre-Primary Playgroup to UKG	Letters, numbers and stories, learnt through play: blocks, puppet shows, colour days and a bug safari outdoors.	English, Hindi, Mathematics, Environmental Science, General Knowledge
Primary Classes 1 to 5	Reading, writing and numbers every day. Computers, art, dance and music are on the timetable from Class 1.	English, Hindi, Mathematics, Environmental Science, General Knowledge, ICT, Art & Craft, Dance & Music, Sports
Middle Classes 6 to 8	Science and Social Science become subjects of their own, and Sanskrit joins Hindi and English.	English, Hindi, Sanskrit, Mathematics, Science, Social Science, ICT, General Knowledge, Art & Craft, Dance & Music, Sports
Secondary Classes 9 and 10	The board years. Information Technology becomes a subject, and these two years build to the Class X results on page 2.	English, Hindi, Mathematics, Science, Social Science, Information Technology, Sports
Senior Secondary Classes 11 and 12	Science, Commerce or Humanities, with Artificial Intelligence as a subject and practicals in the physics, chemistry, biology and AI labs.	**Science:** Physics, Chemistry, Biology, Mathematics **Commerce:** Accountancy, Business Studies, Economics **Humanities:** History, Geography, Political Science, Sociology, Psychology **Also offered in every stream:** English, AI, Physical Education, Painting

Building with blocks

Career counselling seminar for the senior classes

At three, school is blocks, a ball and someone to chase.

Pre-Primary runs from Playgroup to UKG. Letters and numbers arrive through things a child can hold and do: stacking, catching, painting, a puppet show at story time. On colour days the whole class turns up in yellow, or red. On Rainy Day they go out in raincoats on purpose.
